

LIQUID MUD

Powerful, heavy duty discharge hose designed specifically for the transfer of liquid mud at high pressures.

- High performance: Safely handles working pressures up to 500 psi with safety factor in excess of 4:1 No less than six plies of high strength textile reinforcement assures this reliability.
- Special color coding for safety: Distinctive orange longitudinal stripe reduces the risk of improper application and possible accidents from the use of the wrong hose.
- All-round compounding: The quality of this hose is further enhanced by the tube and cover compounds of Continental ContiTech 's renowned for heat, ozone, weathering and oil resistance.

Performance + Specs

Construction Tube

- Nitrile synthetic rubber (oil resistant)

Cover

- Black Chemivic® synthetic rubber (oil resistant)

Reinforcement

- Spiral-plyed synthetic fabric with grounding wires

Temperature Range

- -35°F / -37°C ~ 200°F / 93°C

Packaging

- Coiled and polywrapped, cut length check with ContiTech

Coupling

- Contact fitting manufacturer for proper fitting recommendation and coupling procedure

Branding

Continental ContiTech Liquid Mud
